Benjamin Hill was a small ski area in the 1960's through 1970's which had a lodge and 8 slopes with rope tows and a T-bar. It was closed in the 1970's and the lodge was destroyed by fire. The property was acquired by the Town of Shirley and beginning in 2000, members of the Benjamin Hill Park Committee worked to turn the area into a fun family recreational park.

BHP has an Olympic size Z shaped gunite **POOL** for your swimming and summer fun. We offer adult water aerobics and swimming lessons for all ages and levels taught by qualified instructors. The pool area is overseen by lifeguards who enforce the pool rules at all times for your safety. Our pool area has toys, chairs, life jackets, and shade. The **POOL HOUSE** features changing rooms with showers, restrooms, an indoor seating area, an office area, and a snack bar. Facilities are handicap accessible.
